GLASS
BOTTLES

PRODUCED
IN PORTUGAL

Designed to simplify routines, this bottle was born from active listening to more than 90 clients, both national and international. Every detail reflects authentic choices: ideal height, quick filling, effortless lightness in use.

Pure glass, minimalist design, discreet presence.

Whenever a machine is marketed for the home or office segment, your company can complement the offer with customized bottles bearing your brand, adding distinction and visibility.

Produced in Portugal, with recognized quality.
